

**Wayne Trace Local School District**  
**LITTLE RAIDERS PRESCHOOL**

May 19, 2020

Dear Future Little Raider Parents—

Plans for the 2020-2021 school year are underway. First, we would like to say a big “THANK YOU!” for the effort you have made to return registration materials! We are collecting and sorting them and if there are any missing items, we will contact you as soon as possible.

We notified you of our initial timelines in March. There have been many developments since then, and guidance continues to come from the State. Because of this, we will need to make some changes. While our initial plan was to complete testing and finish our roster by mid-June, we are going to have to set new dates.

**CHILDREN WITH DEVELOPMENTAL CONCERNS**

If your child had some developmental concerns that were discussed with you at the early childhood screening, a further evaluation will be scheduled. Parents of children with developmental concerns will be contacted soon to schedule an evaluation time. Evaluations will now take place in **mid-June**. When we schedule with you, we will also discuss the health and safety procedures that will be followed.

**ROSTERS**

Tentative rosters will now be completed in **mid-July**, and parents will be notified at that time of enrollment or stand-by status.

As I said in my March letter, your continued flexibility and patience in working through this is appreciated! Please know that as time goes by, there may be a need to make additional changes. If any changes are needed in the future, you will be notified. Please let us know if you have any questions. You may contact our office at 419-587-3414.

Thank you,

**Laura DeLong**
